# AGM 2012

## EVENT SCHEDULE

## Schedule – Apr 25-26, 2012

*Trainee Review Course Pre-AGM*

### **Wednesday, April 25, 2012**

0800-1700 Trainee Review Course (Dr. Tammy Keough-Ryan)

### **Thursday April 26, 2012**

0800-1700 Trainee Review Course (Dr. Tammy Keough-Ryan)

# Schedule – Fri Apr 27, 2012

Day 1

| Time      | Basic and Clinical Science Symposia   | Continuing Nephrology Education                |
|-----------|---|--|
| 0800-0815 | Welcome Address – CSN President Dr Marcello Tonelli   |  |
| 0815-0900 | Review of KDIGO GN Guidelines – Dr Joanne Bargman   |  |
| 0900-0930 | <i>Molecular signal of proteinuria in Primary GN</i><br>Dr H. Reich                               | <i>Membranous update</i><br>Dr Dan Cattran     |
| 0930-1000 | <i>Podocyte Responses to Injury</i><br>Dr B. Ballermann   | <i>ANCA vasculitis update</i><br>Dr Mike Walsh |
| 1000-1030 | Coffee break  |  |
| 1030-1100 | <i>Post operative biomarkers of AKI</i><br>Dr Amit Garg<br>Dr Michael Zappitelli                  | <i>SLE update</i><br>Dr J. Bargman             |
| 1100-1130 | <i>New clinical applications of Rituximab in the treatment of membranous GN</i><br>Dr Dan Cattran | <i>FSGS update</i><br>Dr H. Reich              |
| 1200-1300 | <i>Rituxan and the Treatment of vasculitis</i><br>Lunch Provided                                  |  |
| 1300-1430 | Top Trainee Presentations   |  |
| 1430-1500 | Coffee break  |  |
| 1500-1700 | CST Session   |  |
| 1500-1540 | <i>Immunosuppression in the Dialysis Unit</i><br>Dr John Gill                                     |  |
| 1545-1615 | <i>Paired Donor Exchange</i><br>Dr Ian Alwyn  |  |
| 1615-1700 | <i>Regional Differences in Living Donors</i><br>Dr Greg Knoll                                     |  |
| 1700-1830 | Annual Business Meeting   |  |

# Schedule – Sat Apr 28, 2012

Day 2

| Time      | Basic and Clinical Science Symposia  | Continuing Nephrology Education   |
|-----------|--|---|
| 0800-0815 | ISN presentation – Dr Adeera Levin   |   |
| 0815-0900 | KFOC Medal for Research Excellence – Dr Norman Rosenblum   |   |
| 0900-1000 | Ethics session – Dr Aviva Goldberg   |   |
| 1000-1015 | CANN-NET initiative – Dr Braden Manns  |   |
| 1015-1030 | CSN Clinical Practice Guidelines-Quotidian Hemodialysis – Dr D. Zimmerman  |   |
| 1030-1200 | Poster Viewing Sessions  |   |
| 1200-1300 | Debate - Lunch Provided<br>LMWH vs. Unfractionated heparin in Hemo<br>Dr Neil Ashman (UK) - Pro / Dr Catherine Clase (Hamilton) - Con<br>Dr Louise Moist - Moderator |   |
| 1300-1400 | <i>The 2011 European HUS epidemic: epidemiology, treatment, and lessons learned for Canada</i><br>Dr Bill Clark  | CORR AGM<br>Dr Louise Moist   |
| 1400-1430 | <i>Translating basic physiological principles into new therapies for patients with diabetic nephropathy</i><br>Dr D. Cherney   | CORR aboriginal issues<br>Dr B.Hemmelgarn<br>Dr J.Kappel                                      |
| 1430-1500 | <i>What do the KDIGO Anemia Guidelines recommend, and why?</i><br>Dr Pat Parfrey   | <i>Pediatric transitioning</i><br>Dr Susan Samuel   |
| 1500-1530 | Coffee break   |   |
| 1530-1600 | <i>Circulating microparticles in vascular and renal injury</i><br>Dr Dylan Burger  | <i>Vascular Access: Challenges in translating knowledge into practice</i><br>Dr D Mendelssohn |
| 1600-1630 | <i>Glomerular epithelial response to Immune injury</i><br>Dr S. Shankland  | DOPPS update<br>Dr D Mendelssohn<br>Dr J.Ethier   |
| 1630-1700 | <i>Barriers to PD utilization and how to overcome them.</i><br>Dr Matt Oliver  | <i>Renal Pharmacists presentation</i><br>Dr M. Battistella<br>Dr Amit Garg                    |
| 1700-1730 |  | <i>Dialysis in the USA – Dr Ray Hakim</i>   |
| 1730-1830 | free time  |   |
| 1830-     | Gala Dinner and Art Auction  |   |

# Schedule – Sun Apr 29, 2012

Day 3

| Time      | Basic and Clinical Science Symposia                                   | Continuing Nephrology Education   |
|-----------|---|---|
| 0800-0830 | PKD<br>Dr Pat Parfrey   | Update on PD guidelines<br>Peter Blake  |
| 0830-0900 | Molecular Mechanisms of Renal Cystic Disease Progression<br>Dr Y. Pei | SHARP Update<br>Dr Adeera Levin   |
| 0900-1000 | Interventions to Prevent Cysts<br>Dr. Arlene Chapman                  | Atypical HUS - Diagnostic and Therapeutic Challenges<br>Dr Christoph Licht<br>Dr Martin Bitzan<br>Dr Lapeyraque |
| 1000-1030 | Coffee break  |   |
| 1030-1130 | Debate on Geriatric Dialysis – Dr Rachel Carson and Dr Vanita Jassal  |   |
| 1130-1230 | State of the Art Lecture – Early Dialysis Start – Dr Robert Lindsay   |   |
| 1230      | Meeting adjourned   |   |
|           | See you next year!  |   |
