December 4th, 2008

Dear Corporate Sponsors:

The 2009 CSN Annual Meeting is fast approaching and we are reminding you to mark your calendars for May 10th to 12th, at the Westin Hotel in Edmonton Alberta

As you know, the CSN is a relatively small Society, and we rely on support from the corporate sponsors to create an outstanding Annual Meeting that showcases the best in Nephrology research in Canada, and that provides educational forums to our members. We also view the meeting as an important opportunity to learn more about our pharmaceutical industry supporters, with regards to their areas of interest, product development, and potential for collaborative endeavours. We are now writing to solicit your ongoing support and commitment for the upcoming 2009 meeting. You may indicate your sponsorship on the attached "Commitment Form". In addition to general sponsorship, we also offer you the opportunity to sponsor the State of the Art Lectures, the Scientific Symposia and the Review Course.

If you have any questions or concerns regarding sponsorship, please feel free to contact Elizabeth Dicks our Secretariat at edicks@mun.ca who will be more than happy to assist you.

We would sincerely like to thank you for your strong support of the CSN in the past and hope that we can count on your continued support in the coming year.

Sincerely yours,

Dr. Barbara Ballermann
President, CSN
