| 16:30-16:37 | P-019  | PATIENT-ORIENTED RESEARCH  
COLLABORATIVE PEER-REVIEW MODEL: PATIENT PARTNERS AS EQUAL AND CONTRIBUTING VOICES IN PATIENT-ORIENTED RESEARCH | David Hillier                                                                                                       |
| 16:37-16:44 | P-021  | PATIENT-ORIENTED RESEARCH  
DISCRIMINATION AND PREDICTIVE VALUE OF THE EDMONTON SYMPTOM ASSESSMENT SYSTEM REVISED (ESASR) AS A SCREENING TOOL FOR DEPRESSION AND ANXIETY IN PATIENTS WITH ADVANCED KIDNEY DISEASE | Istvan Mucsi                                                                                                       |
| 16:44-16:51 | P-023  | PATIENT-ORIENTED RESEARCH  
Evolving perspectives on Kidney Health Research as reflected on shared activities, roles and responsibilities in a national patient-oriented research network: a qualitative study | Nicolas Fernandez                                                                                                  |
| 16:51-16:58 | P-033  | PATIENT-ORIENTED RESEARCH  
ALIGNING INTERESTS, SKILLS, AND NEEDS IN THE DISTRIBUTION OF PATIENT PARTNER ROLES IN A NATIONAL PATIENT-ORIENTED KIDNEY RESEARCH NETWORK | Meghan Elliott                                                                                                     |
| 16:58-17:05 | P-046  | PATIENT-ORIENTED RESEARCH  
USING THE PROMIS-57 FATIGUE SCALE TO ASSESS FATIGUE IN PATIENTS WITH END STAGE KIDNEY DISEASE | Istvan Mucsi                                                                                                       |
| 17:05-17:12 | P-087  | PATIENT-ORIENTED RESEARCH  
PATIENT-REPORTED FATIGUE AMONGST CHILDREN ENROLLED IN THE GLOBAL aHUS REGISTRY   | Mira Francis                                                                                                       |
| 17:12-17:19 | P-067  | PATIENT-ORIENTED RESEARCH  
ASSESSING SYMPTOM ASSESSMENT AND MANAGEMENT PROCESSES FOLLOWING THE ADMINISTRATION OF A PATIENT-REPORTED OUTCOME MEASURE TO HEMODIALYSIS PATIENTS IN ONTARIO | Michael Walsh                                                                                                      |
| 17:19-17:26 | P-068  | PATIENT-ORIENTED RESEARCH  
WEBSITES TO SUPPORT SELF-MANAGEMENT IN PATIENTS WITH CHRONIC KIDNEY DISEASE: AN ENVIRONMENTAL SCAN | Michelle Smekal                                                                                                     |
| 17:26-17:33 | P-069  | PATIENT-ORIENTED RESEARCH  
EXPLORING THE EFFICACY OF A NOVEL, WEB-SUPPORTED ENERGY CONSERVATION PROGRAM FOR ADULTS ON CHRONIC DIALYSIS WITH FATIGUE | Janine Farragher                                                                                                   |
| 17:33-17:40 | P-071  | PATIENT-ORIENTED RESEARCH  
THE CURRENT STATE OF THE FIELD ON PATIENT-REPORTED OUTCOMES IN CHRONIC KIDNEY DISEASE (PRO KIDNEY): A REALIST SYNTHESIS | Kara Schick-Makaroff                                                                                               |
| 17:40-17:47 | P-066  | PATIENT-ORIENTED RESEARCH  
SYMPTOM BURDEN AND FRAILTY IN HEMODIALYSIS PATIENTS | Amanda Halpin                                                                                                      |
