Description:

Alberta Health Services in partnership with The University of Alberta, Faculty of Medicine & Dentistry, Department of Medicine, Division of Nephrology, invites applications for a *Two (2) General Nephrologist's* to be based at the University of Alberta Hospital/Kaye Edmonton Clinic, located in Edmonton, Alberta, Canada. The Faculty of Medicine and Dentistry has been internationally recognized as among the world's top 50 medical schools and as one of Canada's premier health-education institutions. The University is currently home to 39,000 students and 15,000 faculty and staff. Alberta Health Services (AHS) is Canada's largest and only provincial health region providing services for a population of over 3 million people.

The Division of Nephrology and Immunology at the University of Alberta provides leadership to the educational and administrative activities of the Faculty of Medicine and Dentistry, and Alberta Health Services. The University of Alberta Nephrology group primarily serves patients in the Edmonton Zone and the North Zone

Key accountabilities for the positions will include, but not be limited to: weeks and weekends of inpatient and consult services as well as hemodialysis coverage at the University of Alberta Hospital and across satellite outpatient dialysis units within the Edmonton and North Zones. The remainder of the weeks in the year (i.e. the weeks not on call) will be dedicated to managing Nephrology outpatients at the Kaye Edmonton Clinic. There may also be opportunities to participate in the nephrology home therapies program.

The successful applicants will also be expected to apply for a Clinical Academic Colleague Appointment in the Department of Medicine, University of Alberta, which will be considered under a separate process through the Faculty of Medicine & Dentistry.
