

**LOCUM PHYSICIAN, SECTION OF NEPHROLOGY**  
**The Department of Internal Medicine**  
**Manitoba Renal Program**  
**Rady Faculty of Health Sciences**  
**University of Manitoba**

The Department of Internal Medicine Max Rady College of Medicine, Rady Faculty of Health Sciences, University of Manitoba, and the Manitoba Renal Program invite applications for a Locum Physician in the Section of Nephrology. The section is one of 17 in the Department of Internal Medicine, providing patient care, undergraduate, postgraduate and continuing education, and research.

Manitoba Renal Program (MRP) coordinates and delivers kidney health-care services for adults in Manitoba and promotes kidney health through education. The program is an interdisciplinary team of health-care professionals working together alongside hospitals, regional health authorities, governments and communities to deliver the highest quality kidney health care and education.

This is a one-year Locum appointment within the Section of Nephrology commencing in mid-October, 2021 or as soon thereafter as possible.

The successful candidate will provide clinical care at St. Boniface Hospital, on Consult, Peritoneal Dialysis, Hemodialysis services, and share on call duties with five other nephrologists, in this busy tertiary center. The successful candidate will also run a weekly half-day general nephrology clinic with incident and prevalent patients, and ideally have skills in tunneled hemodialysis catheter insertion. Skills in peritoneal dialysis catheter insertion would be a further asset.

The Section has access to substantial resources within the health system. There are presently 21 full-time academic Nephrologists within the Section with major clinical and investigative responsibilities in the Section of Nephrology, and additional part time members.

Candidates must have specialty qualifications in Nephrology in the country of current practice and must be eligible for registration with the College of Physicians and Surgeons of Manitoba. Certification by the Royal College of Physicians and Surgeons of Canada is preferred.

The University of Manitoba is a major research university located in the city of Winnipeg. Winnipeg is the largest city in the Province of Manitoba and one of the most

culturally diverse cities anywhere. More than 100 languages are represented, and Winnipeg is well known for its cultural achievements and flourishing arts scene. The city is home to the Royal Winnipeg Ballet, symphony, opera, theatre, and festivals. Besides supporting professional hockey, football, and baseball teams, the region provides ample opportunities for outdoor recreation in all seasons. The Winnipeg housing market is one of the most favorable in Canada.

Equity and diversity are essential to excellence. An open and diverse community fosters the inclusion of voices that have been underrepresented or discouraged. To address the Rady Faculty of Health Sciences commitment to equity, diversity and inclusion, in recognition of the underrepresentation of members of historically and currently under-represented groups, and pursuant to the Manitoba Human Rights Commission Policy I-7, preference will be given to applicants who self-identify as women, Indigenous peoples, persons with disabilities, racialized persons, as well as other historically underrepresented groups such as 2SLBGTQ+.

The University of Manitoba is strongly committed to equity and diversity within its community and especially welcomes applications from women, racialized persons, Indigenous peoples, persons with disabilities, persons of all sexual and gender identities, and others who may contribute to the further diversification of ideas. All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority.

If you require accommodation supports during the recruitment process, please contact [UM.Accommodation@umanitoba.ca](mailto:UM.Accommodation@umanitoba.ca) or 204-474-7195. Please note this contact information is for accommodation reasons only.

Application materials, including letters of reference, will be handled in accordance with the protection of privacy provision of *"The Freedom of Information and Protection of Privacy"* (Manitoba). Please note that curriculum vitae may be provided to participating members of the search process.

The position will remain open until filled. Interested applicants should submit curriculum vitae, a list of publications, and the names of three references to:
